WELCOME TO THE ROYAL MAYFAIR GOLF CLUB

Welcome to the Royal Mayfair Golf Club. As a member, you are now part of an evolving community who shares a passion for the game of golf. We are much more than 18 holes of thoughtful landscaping tucked into Edmonton's North Saskatchewan River valley. We are more than a clubhouse, a Golf Shop, or a place to share a meal with friends.

We are a tradition, and one that has been upheld since the 1920s, providing the premiere private golf club experience. It is our hope that you find a welcoming community that not only shares your love of the game, but also values the opportunity to forge lifelong friendships both on and off the course.

We look forward to getting to know you.

OPERATIONS OVERVIEW

Meet the people who are here to make your membership experience a premiere one. Please feel free to connect with your Royal Mayfair management team any time.

DEPARTMENTS

Today we are proud to welcome you into the exceptional community of the Royal Mayfair where you will be able to take in the beautiful golf course, delicious food, and warm social environment.

Wade Hudyma – General Manager / COO

Wade Hudyma always envisioned the day he would lead a golf course operation.

In the early 1980's he began his career as an Assistant Golf Professional at the Wascana Country Club in Regina, Saskatchewan. After serving in this role for 7-years he was awarded the Head Golf Professional position at Estevan Woodland Golf Club Located in Southeast Saskatchewan.

After four years of improving swings and lowering handicaps he took on a new challenge as the Director of Golf at a 36-hole resort style golf course in Saskatoon.

It was here that thoughts of leading an entire golf club would begin to take shape as he became more and more involved in Membership and the club finances. In 2002 Wade would move west to become the General Manager of Windermere Golf and Country Club in Edmonton. This is where his management skills would be further developed.

In 2010, Wade joined the Royal Mayfair as General Manager and COO. Upon his arrival Wade saw value in the traditions and history of the course, but also recognized its untapped potential. He has helped guide the Club through a successful Long Range Enhancement Plan (LREP) along with completing the installation of a new fairway irrigation system while creating remarkable memories for the Members.
